

SEEKING ACTIVISTS WOMEN*

FOR A DOCTORAL RESEARCH PROJECT

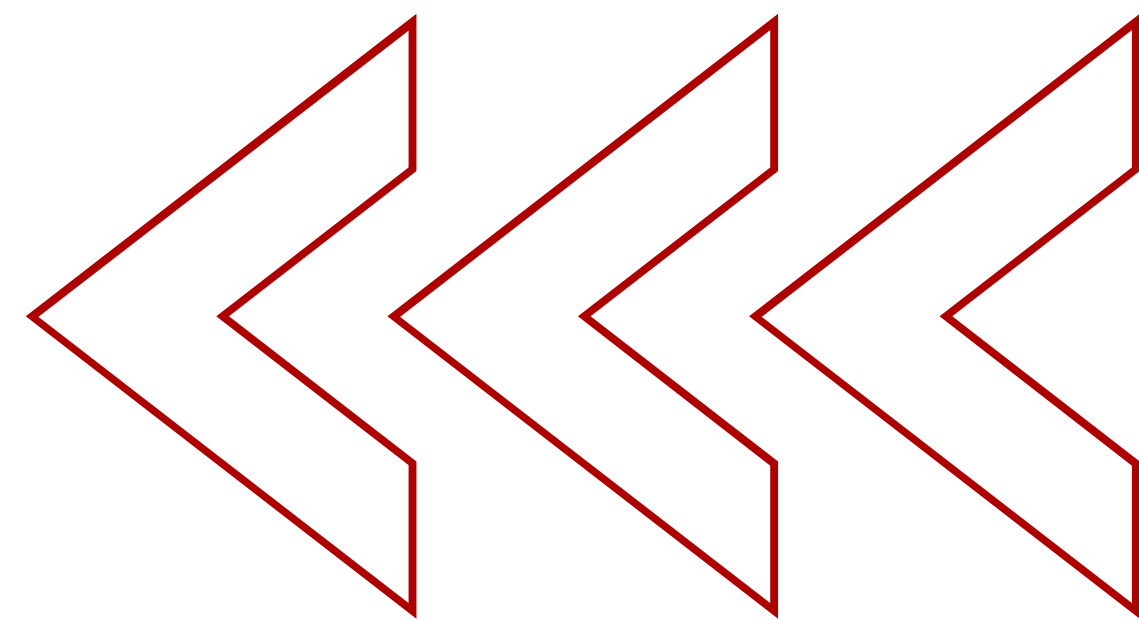

- You have a **significant experience of activism** (in activist organizations and/or in protest actions) and have **witnessed** or **experienced conflictual or violent interactions with the police** in your mobilization?
- You would be **interested to share** your experience in a **2-hour confidential interview** for which a **financial compensation is provided?**

*All person identifying as woman, partly or totally, is invited to participate.

Objectives

- Understanding **activists women's* experiences** in their **interactions with the police;**
- Understanding how **power relations influence** their **pathways of activism;**
- Understanding the **place of violence** in women's* activism.

If you are interested in participating or to learn more about the research
